Enter the following information:

Canada Dominion Resources Limited Partnership VI  
1000-1075 West Georgia Street  
Vancouver BC V6E 3C9

**Box 18 Canadian and foreign net business income (loss)**

This is the limited partner’s pro-rata share of the net loss of the partnership. Divide \$(516,841) by 1,100,000 and multiply by the number of partnership units held by the limited partner on December 31, 2000.

**Box 26 Interest from Canadian sources**

This is the limited partner’s pro rata share of the interest income.

Divide \$6,441 by 1,100,000 and multiply by the number of partnership units held by the limited partner on December 31, 2000.

**Box 38 Investment tax credit**

If the T5013 slip is for a limited partner that is an individual (i.e. you will enter “1” in Box 11), follow the instructions below. If the limited partner is a trust or a corporation, leave the box blank.

Place an asterisk (\*) in Box 38, and after performing the calculations, include the following information in the details box:

Box 38

Renounced Canadian exploration expense qualifying for ITC purposes (Code 5) is:  $\frac{\$1,964,050}{1,100,000} \times \text{number units held at December 31, 2000}$

Please report this amount on line 6717 of Form T2038, *Investment Tax Credit*.

**Box 45 Limited partner's at-risk amount**

This is the limited partner's pro-rata share of the at-risk amount. Divide \$27,500,000 by 1,100,000 and multiply by the number of partnership units held by the limited partner on December 31, 2000.

**Details Box**

Enter the information and amounts as described in Box 38.

In addition to the information in respect of Box 38, please include the following:

The "at risk amount" shown in Box 45 of this information slip reflects the information available to the General Partner. This "at risk amount" does not reflect transactions undertaken by each Limited Partner therefore further adjustments may be necessary.

**Box 53 Number of units acquired**

Enter the number of partnership units acquired by the limited partner during the period of December 31, 2000.

**Box 54 Cost per unit**

Enter \$25 for all T5013 slips.

**Box 55 Total cost of units**

Multiply box 53 by box 54.

**Box 60 (Column 130) Canadian exploration expense**

This is the limited partner's pro rata share of all Canadian exploration expenses renounced during the year. Divide \$24,259,515 by 1,100,000 and multiply by the number of partnership units held by the limited partner on December 31, 2000.

**Box 61 (Column 130) Canadian development expense**

This is the limited partner's pro rata share of all Canadian development expense renounced during the year. Divide \$120,000 by 1,100,000 and multiply by the number of partnership units held by the limited partner on December 31, 2000.
